

Price Change Notification

Please be informed that we will change our pricing system from April 2010.

Due to worldwide economic depression and yen's sharp appreciation, our current USD prices have become much lower than the original prices in Japanese Yen. For details, please see the followings:

Thank you for your understanding.

1. Shipping Method

All publications will be shipped by FedEx so that we can ensure the proper and prompt delivery to our customers.

2. Currency

All prices will be quoted in Japanese Yen. According to this, our USD prices for all products will be ineffective from April 2010. As for new prices, please see the attached list.

3. Shipping and Handling Charges

Shipping and handling charges will be excluded from the JPY prices. For details, please see the price list for shipping and handling charges.

4. Payment Method

All payment must be made in advance.

As usual, payment can be made by bank transfer, check, or credit card. All items will be sent after we receive a payment or credit card information.

5. Return and Refund Policy

We do not accept any return of books. No refunds should be made even if we receive a return of book(s) unless damaged or incorrect items are delivered.

6. Customs Duties

Any charges for customs clearance must be borne by the recipient since we cannot control or predict these charges.
