The Japanese Pharmacopoeial Forum

released in March, June, September and December

Japanese Pharmacopoeial Forum (JPF) is a quarterly bilingual publication, in Japanese and English, issued by Pharmaceutical and Medical Device Regulatory Science Society of Japan (PMRJ).

This is the one and only English medium to get the latest JP information on new and revised drafts for the test methods and official monographs, actions taken by the JP committee, aspects of the international harmonization by PDG, etc. and will help to keep you aware of any new upcoming official requirements with which you must comply.

The subscription is registered on a year basis. When you subscribe during the course of the year, you automatically receive all issues published to date.
